

Join the team.
Make a difference.

You are looking for an employer who takes you to the next level. You want to work on a team which values your ideas. You want to participate in developing and creating the future of BBHT Solutions. Then join us as

Junior Developer with JavaScript

Your responsibilities

- consulting our clients' IT projects concerning requirements
- scope, define and build highly complex templates using the M/Text technology
- technical implementation of business requirements in agile or classic development teams
- coordinate with business units & test teams as well as communicate development progress and results
- cooperative partnership & open communication with our clients abroad
- participating in the test processes

Your qualifications

- academic studies ideally in business information, computer science, economics, mathematics or comparable
- theoretical and practical knowledge in JavaScript
- willingness to learn M/Text
- experience within IT projects in the banking or insurance industry is desirable but not mandatory
- knowledge in databases like MS SQL, Oracle DB or PostgreSQL
- fluent knowledge of English and German (level C1) is mandatory
- a communicative and dedicated personality with high quality awareness

We offer you

- a full-time position and the chance to collectively develop the company itself
- independent work, challenging & innovative projects with renowned clients
- qualified and continuing education, joint trainings and company events
- good work-life balance by flexible working hours and 25 days of vacation
- remote or hybrid work and high quality, personal IT infrastructure

We activate on the German market, and together with our clients, we develop software solutions and ensure the quality for different projects, our main focus being the banking and insurance sector.

Our goal is to have motivated employees to innovatively and successfully meet new challenges together.

Let's get to know each other! Send your application to careers@bbhtsolutions.ro or mihaela.grama@bbht-solutions.ro, or give us a call at +40 364 631 9 05.
